

# 2006/07 ACCOMPLISHMENTS

## West Seattle Neighborhood Power Project

### Activities

### Savings

- ✓ 100 businesses had energy efficient lighting installed . . . . .1,000,00 kWh
- ✓ Over 12,000 CF light bulbs were distributed . . . . .402,000 kWh
- ✓ 450 aerators and efficient showerheads were distributed . . . . .101,000 kWh  
245,000 gallons

A total of 1,503,000 kilowatt-hours were saved,  
which is enough to power 146 homes for a year!

---

Reduced CO<sub>2</sub> emissions: 1,827,300

### Other Activities:

- ✓ Conducted 188 green audits
- ✓ Conducted energy conservation workshops
- ✓ Participated in the *Green & Clean Seattle* initiative
- ✓ Co-sponsored the West Seattle Summer Fest
- ✓ Participated in *Night Out Against Crime*

Congratulations to all the businesses and volunteers who helped make these accomplishments possible!
